PageBorders.org is a collection of free printable edges and frames to use with Microsoft Word, Photoshop and other applications. Use them to create flyers, invitations, stationery and more. Choose from the boundaries that characterize animals, holiday themes, themes of nature, and sports drawings, and much more. The edges are sized for use with 8.5 x 112 1970ss-temed edge with signs of peace, flowers, words like "disco", and silhouettes of people in seventy clothing as bell bottom. The edge is sized to work with paper 8.5 x 11 (material size). Download free zip file containing GIF, JPG, PDF and PNG versions of the border with watermark. Terms of use Premium Version Would you prefer a border without watermark? Get this border WITHOUT the supply chain for only \$0.99. The edge is delivered as a zip file with the following file formats: AI, GIF, EPS (CMYK and RGB), JPG, PDF and PNG. Price: \$0.99 Buy Now Add to cart You will need to remove files for the border before using it. We have a short tutorial on border usage in Microsoft Word here. Delivery You will receive a download link by email after paying. The email will be sent to your PayPal email address. If you do not have a PayPal account, you will be sent to the email address specified on the order. Make sure you have access to this email address before your order. The use of our borders constitutes an agreement to the following terms: Borders for free Free borders can be used for personal, educational and charitable purposes. If you use the free version of the board, the watermark must remain visible. You can not cover with text, clip art, etc. If you prefer not to have a watermark, you need to buy the premium version. Premium Borders Limited commercial use is allowed for premium (paid) versions of the border.use is permitted under the following conditions: You can use boundaries for creating flyers or other items for your business provided that such items are provided free of charge (e.g. a flyer, letter card, etc.) or used internally within your business. You can't pay the money for any job created with borders. You cannot resell or distribute digital files for borders. Support restrictions When you buy a border, you are just buying the files to the border. We are unable to help you change the edges, solve printer problems, or help with any similar problem. You will have to do things like Google search or consult the printer/software support to solve these problems. problems. borders for microsoft word 2007 free download
