Page 2 @frostreports — 2,289 followers, 8,999 tweets In June the trust is set to be sentenced for historic failings following the deaths of 11 patients on its inpatient wards in #Essex. And an independent inquiry into one of its services, The Linden Centre, spanning 2000 - 2020 was due to get underway this month. @itvanglia In a statement @EPUTNHS said: "We are deeply saddened to learn that a patient who was being treated at the St Aubyn Centre in Colchester has died. We offer our sincere condolences to their family and have launched a full investigation." Page 3 Find the best way to get in touch with Charlie by joining Muck Rack. What's Muck Rack? I just wanted to shout 'Bonjour!' to everyone, or get all Oliver & sing 'Who will buy!' Couldn't stop talking: shop assistants, the man in coffee queue haha! A joy to have social interaction again!! JA Jamesypoo 8 March 2021 10:13am Oddly, he does appear to have covered on Channel in the past according to TV Ark. There can't be many time the main presenter for one region has covered for another? Channel went through a series of cover presenters including Wesley Smith and Matt Teale. Yes but were these main presenters of their home regions when covering? That was my point, it seems unusual for one of the main 2 presenters to cover another region. Matt Teale and Jonathan Wills were on loan from their regions. Wesley is freelance following his redundancy in 2009. Only just found it! Jonathan is going to be a massive loss. Not sure if Rob will take over - unless they want to go much younger. Jonathan must be late 50s, Rob is maybe 30 years his junior? Here in Essex though we get London as well as Anglia so if it takes a turn for the worse I imagine I'll just watch that. I too wondered where Russell was so thanks for the info - looking online he seems to have a history in the Channel Islands so maybe he comes from there originally. There's been far less from my part of the world on the prog since he's been off screen. It's noticeable. Be good to see him back on Anglia at some point. Also love Kate too - hope she's not gone gone for good either. Ballyboy gave kudos BA Ballyboy 20 March 2021 4:42pm Jonathan can't be late 50s can he? IT ITVwatcher New member 20 March 2021 5:28pm I'm fairly sure he is. Plus he's just had a hip replaced so that's kind of a giveaway 🙄🙄. Though compared to some regional presenters discussed here even late 50s is pretty young. Becky must be at least mid 40s too as she was on Newsround years ago. Ballyboy gave kudos IT ITVwatcher New member 22 March 2021 6:40pm Managed to see the Channel Islands programme on Sky. Hope Jonathan knows what he's signed up for as it's pretty dire. Their current male presenter is almost theatrical in his gestures and script reading. Overacts on every story which is unnerving to watch. Anglia is a far more relaxed style but is it unusual? Are other regions more dramatic in how they tell stories? Is Jonathan going for good or is it likely he'll come back? Does anyone know? And are Russell & Kate down there permanently? 🙄 Anglia needs to be careful they keep the audience Jonathan has built up. Becky must be quite unnerved to lose him. EJ EJNuz2 22 March 2021 9:01pm When does Jonathan leave. He was not on Friday or today on Anglia News. Rob Setchell is doing a good job itv east anglia news reporters
