Scheme of work template uk

Let's investigate: A short KS2 scheme on animal adaptation Download all as a zip file Narrative Writing: Merlin (Y5/Y6) Download all as a zip file For pupils working below age related expectations – PMLD, SLD and MLD Key Stages 1-4 Updated 2018 These Schemes of Work have been written by teachers who have expertise in Special Education. They were currently teaching pupils who were working below age related expectations. The information has also been reviewed and critically reviewed by another group of teaching professionals, including Head Teachers and School Inspectors. We hope that you will find the materials helpful when working with pupils who are achieving below the first two levels of the national curriculum and across all four key stages. In writing these examples of good working practice, special consideration was given to the current mainstream and Special Education guidance at the time. To view prices or to place an order, please click on one of the green buttons below. To view a preview, please click on a green box below

All of the Formal SoW for the National Curriculum are priced at £99+vat for members per subject and £199+vat for non-members per subject. EQUALS Members benefit from significant discounts on EQUALS publications. The members price for the above publications is only £99+VAT per subject. This involves a saving of £100 + VAT per subject, compared to Non-members prices of £199+VAT per subject. If you would like to become a member of EQUALS at £120 + VAT for 12 months please click here Any schools that are interested in a subject which is not be listed above such as PSHE & C, Geography, History or ICT please contact paul@equalsoffice.co.uk Please provide full details of your request, age range and school address etc. NCELP Schemes of Work (SOW) are proposed as examples of how language knowledge and practice can be sequenced and re-visited systematically to support progression in the early stages of language development within a low exposure foreign language setting. Teaching materials and schemes of work Research-informed and in line with the new Ofsted framework Free and fully-resourced 3-year Key Stage 3 courses Can be taught remotely or as a blended provision Prepares students for the current and any future GCSE exams Why teach the NCELP KS3 Languages SOW in your school? Discover how the NCELP Schemes of Work, resources and rationales align with important policy documents and influential thinking on pedagogy including: Ofsted Early Career Framework reform, Draft GCSE Subject Content, New Ofsted Framework, Rosenshine's ten Principles of Instruction. Read more Discover the rationale for our approaches to particular topics, as well as references to the research that informed our choices. Read more Our schemes of work are in line with the Review of MFL Pedagogy, which drew on research into foreign language learning and teaching. Read more This 15-minute screencast sets out the principles and key features of the NCELP schemes of work and looks at the SOW document itself. Read more Answers to the most frequently asked questions about getting into NCELP and using our Schemes of Work and resources. Read more We have a range of materials to support Modern Foreign Languages education for pupils both at home and in the classroom. Read more Learn more about the pedagogy with our self-access professional development materials to improve language teaching and learning. Read more Receive a regular bulletin of NCELP news, activities and resource updates. Enter your password to access the resources page: Sue Cave has designed and created Smart notebook support files and accompanying detailed planning for a scheme of work to support the delivery of French in Key Stage 2. There is also a scheme of work for Mixed-Age classes and a Year 7 French Transition Project with lesson plans and classroom activity resources. To obtain the login and access these for FREE, please see the information in the PDFs below about how to provide evidence of the purchase of the referenced resources.You can also download an example of the files and accompanying lesson plans. Download free Smart Notebook software to open and read the files.Smart Notebook Basic For training courses to support the delivery of the schemes of work.Cave Languages Training Courses French Scheme of Work for Years 3, 4, 5 and 6 There are enough planned lessons to teach one lesson a week in Years 3 - 6. The resources include: interactive whiteboard activities with sound files for all vocabulary items; embedded 'Physical French Phonics' images with sound files; templates for the classroom resources; audio files for the scanned story books and rhymes read by native speakers; accompanying workbooks to download; phonics and knowledge mats. The scheme of work for Years 3 - 5 is based on the language progression in the 'Catherine Cheater' Schemes of Work with additional material to meet the attainment targets of the KS2 Programme of Study. The scheme of work for Year 6 has been designed by Sue Cave. These lessons have been tried-and-tested in numerous primary schools and found to be effective with both specialist and non-specialist teachers.
