Colchester sixth form a level results 2018

We are delighted with the exceptional grades awarded to our students for their A Levels this year. 71.5% of grades were awarded at A*-B. A Level Results 2020 A Level Results 2019 A Level Results 2019 Performance Measures for 2019 A Level Examinations Our progress score for A Levels is 0.02 and for academic qualifications it is 0.03. This means that, on average, our students met or exceeded their A Level target grades. The DfE categorises this as average progress, meaning students broadly achieve expected grades. B (38.57 points) is the average grade that our students achieve at Key Stage 5 (KS5). The Lancashire average is B- (35.12 points) and the national average is C+ (34.01 points). 22.3% of our A Level students achieved three A Levels at grades AAB or higher, with two in facilitating subjects. The Lancashire average is 15.1% and the national average is 16.5%. All of our students left the school with a grade C or above in English and Mathematics GCSE. English performance measure: 0.00 (no students were required to re-take either GCSE Maths or English). Student retention on their study programmes is excellent: in 2018, 96.3% of our students completed their study programme and took their examinations (A Levels) with us. This is higher than the England national average and the local authority average which are 92.5% and 92.3% respectively. 2019 retention data will be available soon. Over 95% of our students proceed immediately into education, training or employment at the end of Key Stage 5. The Lancashire average is 89% and the national average is 89%. The overwhelming majority proceed to Higher Education. Some of our students undertake a Gap Year before continuing on to Higher Education or employment. Our students have again proceeded to a wide range of destinations. To access the full School and College Performance Tables 2019, please click here. To access the search function, to compare with other schools, please click here. Summer 2018 Examinations (validated data): A Level Results 2018 Our progress score for A Levels is 0.06, and for academic qualifications it is 0.06. This means that, on average, our students met or exceeded their A Level target grades. The DfE categorises this as average progress, meaning students broadly achieve their expected grades. B- (37.26 points) is the average grade that our students achieve at Key Stage 5 (KS5). The Lancashire average is B- (35.16 points) and the national average is C+ (33.66 points). 19.1% of our A Level students achieved three A Levels at grades AAB or higher, with two in facilitating subjects. The Lancashire average is 15.4% and the national average is 16.2%. All of our students left the school with a grade C or above in English and Mathematics GCSE. English performance measure: 0.00 (no students were required to re-take GCSE English). Mathematics performance measure: 1.00 (1 student was required to re-take GCSE Maths and improved their result by 1 GCSE grade). Student retention on their study programmes is excellent: 96.3% of our students complete their study programme and take their examinations (A Levels) with us. This is higher than the England national average and the local authority average which are 92.5% and 92.3% respectively. Over 95% of our students proceed immediately into education, training or employment at the end of Key Stage 5. The Lancashire average is 90% and the national average is 89%. The overwhelming majority proceed to Higher Education. Some of our students undertake a Gap Year before continuing on to Higher Education or employment. Our students have again proceeded to a wide range of destinations. To access the full School and College Performance Tables 2018, please click here. August 18, 2018 Alex Emmins Philip Morant College students have done it again and today celebrated another excellent set of A Level results, improving even further on last year's grades. The students' hard work has translated into a 100% pass rate and a further increase in the percentage of students achieving the top grades. John Lovett, Head of College said: "I am delighted and overjoyed at this year's impressive results, but most of all I am immensely proud of our amazing students and their dedicated teachers for their hard work, resilience and 'can do' attitude, which has culminated in one of our best sets of results ever!" Mr Lovett continues: "A Level reform has placed increasing demands on students, their parents and their teachers which makes this set of results all the more impressive. Our close-knit college community means we work very closely with our students, support them continuously throughout their studies and build excellent relationships, and this set of results clearly reflects this." Mr Lovett also commented on the innovative V16 project – where students study at the University of Essex for some A-Level courses – which has reaped significant results. All of our students who applied to university have secured a place at one of their chosen institutions. Intended destinations of Philip Morant students are diverse and include an English Literature degree at Cambridge University, a degree-level apprenticeship in the financial sector, a gap year abroad in the voluntary sector, and a degree in Mental Health Nursing. We would like to take this opportunity to wish all of our students every success for the future. Philip Morant School and College Rembrandt Way, Colchester Essex CO3 4QS.
