Perfect personal loan offers for you If you don't wear your helmet while driving, you can lose your license for good in Kṛṣṇa district. The transport department and the police department made a decision to make helmet wear mandatory, with effect from January 2021. Despite the application of campaigns that had been conducted by the RTA and police department, many two-wheeled pilots do not wear helmets. The validity of the driving licences expired from 1 February 2020 and the end of this year was extended until 31 December 2020. The main reason for the extension is the coronavirus pandemic. According to the Minister of Transport, the driving licences expired in February will be valid until 31 December. The new instructions for documents were issued by the Ministry of the Union for Road Transport and Highways. According to the Minister for Transport, the authorities were concerned that there would be inconvenience in the event that there was a rush to renew the driving licences. According to the Government of India, driving licences will be provided to citizens of Divyagjan. Previously, black blind individuals were not allowed to apply for a driving license. However, light to medium color individuals can now apply for a driving license, according to the Ministry of Transport and Highway Union Road. The move comes as part of the ministry's plan to allow disabled individuals to take advantage of various transport services. Awas issued by the Ministry of Transport and Highways to make the relevant changes in their respective forms. According to a statement made by the government, a notification was issued by the Ministry of Transport and Highways for the modification to form 1 and form 1 of the central motor vehicles (cmv) rules so that blind individuals of light to medium color may require a driving licence. Previously, several representations were received by the ministry that black blind individuals were not allowed to get a driving license due to the difficulty of getting a medical certificate, the recommendations that have been made will allow blind individuals of slight to medium color to obtain a license and restrictions will be in effect only for blind individuals of serious color. the government has now reviewed suggestions from the interested parties, and the general public on the modification regarding the rules of the motor vehicle on the registration of new vehicles, driving license, and also the recall of the bad ones. for all defective vehicles, the government proposed that there will be fines ranging from Rs.10 lakh to Rs.1 crore and this will be based on the number of vehicles and also the type of vehicles. this notification has been reprinted to provide time to all stakeholders to examine this in view of the current situation arising from the block. morth in a statement said that they renewed the suggestions and also comments from interested parties and notifications had beenissued on 18 March. It was believed that stakeholders had requested the opportunity to examine the notification and give comments and suggestions. The transportation authority in Nagpur has allowed various colleges to issue student driving licenses to eligible students. In an effort to reduce the growing number of license applications from young people, the government took this initiative for the convenience of candidates. Applicants no longer need to visit the RTO to apply for licenses of a learner, instead, can choose to carry out the application process from within their university campus itself. The RTO will ensure the availability of necessary tools and support that colleges may require to perform this task. Although the instructor's license can be obtained from college, they must visit the RTO to apply for the permanent driving license. 18 August 2017 The city of RTO has decided to accept only online payment for a learning license or driver. After the implementation of the Sarathi 4.0 software, the application process for an apprentice or driving license has been digitized. Although the convenience of net banking and payments through debit/credit cards will help applicants make an easy payment, it could be challenging task for candidates who are from the lower middle class and do not have access to a bank account itself. RTOs are already working to facilitate payment systems for all, however, online payments will bethe only payment option in the future. 27 July 2017 The Delhi Government will soon launch a mobile app to help those who plan to apply for a student license. Through the app, you will learn the basic principles of the guide and also apply for the license required. The goal of this move is to provide all services that can be available online through the mobile app. The plan is to make available training content related to traffic rules and regulations and asking banks to test the user who requires the license. Speaking to the media, an official said that the government is trying to finalize on this and reflect on what can be done most. A developer will be assigned for the project once the final proposal is in place. 13 June 2017 At least four driving schools in Noida have lost their authority to issue driving certificates, the transportation department has recently reported. This action was taken after a local organization made a complaint that these driving schools were using private vehicles to teach their students. Jan Swabhiman Seva Samiti's president, Arvind Kumar Pandey said he had written to Meerut Zone's deputy transport commissioner about driving schools using private vehicles that are not registered to teach how to drive. Schools that have been appointed in the complaint are Gaurav Motor Driving School, Sector 53, Yogendra Driving School, Sector 12, Anu Motor Driving School, Sector 66 and Motor Driving School, Sector 41. The DTC has issued a request in thison 20 May, holding the driving certificates issued by the schools listed above until the investigation is completed. the dtc had issued licenses to 16 different driving schools in the meerut area to give driving certificates to people who were willing to learn how to drive a four-wheeler drive, those who received their certificates from schools that were listed in the claim were not allowed to take a driving test and were issued a driving license without taking one. June 5, 2017 mumbai: now take an appointment for the instructor's license, upload documents, pay the tax on the road, and the execution of vehicle transfers became easy through the e-governance center for the mumbai rto. the sarathi 4.0 and vahan 4.0 are the software provided by the rto for license applications and vehicle registrations, however, many candidates are facing issues on the online portal. Applicants now have the opportunity to visit the nearest e-governance center for rto to carry out their work related to license, tax payment and vehicle transfers only for Rs.20, one of the authorized officials at the e-governance center will assist the applicant to compile forms, make payments, etc. May 10, 2017 only two years ago, the online slot reservation was implemented by the transportation department for licenses for students and permanent driving licenses. nagpur regional transport office has now effectively lowered waiting time for online slot bookings until learnings interested. Although there was no time before, the department has now taken an initiative to catch the same three months. Shard Jichkar, the regional transport officer, has confirmed that Learner's license reservations on the Internet are complete until May 2017. 22 March 2017 New Delhi: In an effort to offer an easy application process for the Guide License, the government announced that early college students may require their student's license in their own college. Considering the fact that most people who apply for the license of their student are young, extending the application services to college, the Regional Office of Transportation will be able to issue more licenses. It will also help the RTO is reducing the backlog of the apprentice license waiting from their local office. Students will need to visit the RTO to get their driving test inspected by an authorized RTO officer. The government is also implementing various steps to digitize the entire application process. 23 February 2017
