Difficult riddles in english with answers

Image: Tom Merton/OJO Images/Getty Images The English language, while friendly to most, appears to baffle even the longtime speaker. Whether you are a native speaker or one who grew up with it fluently, there are still challenges to face in this ever-evolving mother tongue. A primary example of change pertains to even the most basic of grammatical rules. Even those born in countries where English is the official language would still find some snags in usage here and there. And why wouldn't they? Rules of languages often get rewritten or revised as decades pass by. Sometimes, there are also revisions within a certain decade, especially if the times are a-changin' ever so fast! Take for example today's fast lingo turnover, thanks - or no thanks, maybe - to the fast-evolving information and communication technologies we also have. Industry jargon from all sectors also seeps into the vernacular faster these days, so we also have that aspect to look into. But no matter where these changes come from, the most important thing is still the same: to be able to adjust and adapt to these changes. Thus, a simple language quiz might get you back to the basics, or it could also keep you in check as to what you actually know - or don't know.Care to try? Come on, let's go! TRIVIA Can You Pass This English Exam for Non-Native Speakers? 6 Minute Quiz 6 Min TRIVIA Can You Pass This Advanced ESL English Grammar Quiz? 5 Minute Quiz 5 Min TRIVIA Can You Guess What These Common Items Are Called in English? 7 Minute Quiz 7 Min TRIVIA Our Most Difficult Common Phrases Test 7 Minute Quiz 7 Min TRIVIA Can You Identify the Correct Spelling of These Spanish Vocabulary Words? 6 Minute Quiz 6 Min TRIVIA Can You Pass This Difficult Common Phrases Test? 6 Minute Quiz 6 Min TRIVIA Can You Guess the Roots of These Common English Words? 6 Minute Quiz 6 Min TRIVIA How Good Are You at Spelling, Really? 6 Minute Quiz 6 Min TRIVIA Can You Define These Words Without Using a Dictionary? 6 Minute Quiz 6 Min TRIVIA Can You Get More Than 11 Right on This SAT Words Test? 6 Minute Quiz 6 Min How much do you know about dinosaurs? What is an octane rating? And how do you use a proper noun? Lucky for you, HowStuffWorks Play is here to help. Sometimes we explain how stuff works, other times, we ask you, but we're always exploring in the name of fun! Because learning is fun, so stick with us! Playing quizzes is free! We send trivia questions and personality tests every week to your inbox. By clicking "Sign Up" you are agreeing to our privacy policy and confirming that you are 13 years old or over. Copyright © 2021 InfoSpace Holdings, LLC, a System1 Company Image: shutterstock Yep, riddles can be real head-scratchers, but once you know the answer, the query makes sense. Some of these riddles are old standbys, while others you may have never heard of before. Either way, you'll have fun trying to solve them. Give it a go. Then challenge your friends. You may be surprised at how some people can instantly spot the logic within the riddle while others can't. In ancient times, if you didn't get a riddle correct you might be thrown off a bridge by a troll, killed by a Spinx, or lose a princess's hand in marriage. Literature from across the ages and across the globe include riddles of all sorts. But one of the finest qualities of a riddle is that it can give us a new perspective. Many times, it plays to our assumptions about the world as we know it. For instance, What has an eye but cannot see? The answer is a potato. It uses the less common definition of "eye" to broaden our thinking. Or how about riddles like this one that makes you examine and re-examine the question itself? Johnny's mother had three children. The first was named April and the second was named May. What was the name of the third child? Answer: Johnny. Now you're catching on. See how many riddles you can guess correctly by taking the quiz.
