On November 29, 2011, ABC Family renewed the series for a third season, consisting of 24 episodes.[1] On October 4, 2012, ABC Family renewed the series for a fourth season, consisting of 24 episodes.[2] Overview The third season takes place five months following the discovery that Mona Vanderwaal (Janel Parrish) was the elusive "A" that had been created and relentlessly tormenting the four main characters, Aria Montgomery (Lucy Hale), Spencer Hastings (Troian Bellisario), Hanna Marin (Ashley Benson), and Emily Fields (Shay Mitchell) for the past year. The first half of the season addresses the issue of whether or not Garrett Reynolds (Yani Gellman) actually killed or was involved in the murder of the girls' former friend and queen bee, Alison DiLaurentis (Sasha Pieterse) and who killed Maya St. Germain (Bianca Lawson) in the season two finale, while the second half deals with the reveal that Toby Cavanaugh (Keegan Allen) is a member of the A-Team. While dealing with Maya's death Emily finds comfort with Paige McCullers (Lindsey Shaw) and the two enter a relationship. The girls see the arrival of CeCe Drake (Vanessa Ray) to Rosewood, a sister like figure to Alison. Spencer discovering the information about Toby sends her on a dark path, until Mona fakes Toby's death, which sends Spencer completely over the edge, leading to her being admitted to Radley. All this time, the girls continue to see Red Coat, a mysterious blonde in a red trench coat who is believed to be the leader of the A-Team. Mona visits Spencer at Radley and offers her the chance to join the A-Team, which Spencer, who wants answers on Toby, accepts. Spencer is released from Radley and comes home, but is unbeknownst to the girls, working with Mona/"A" to set up a party so that Red Coat can meet them all. As promised, Mona arranges Spencer a meeting with Toby, who is alive and well and reveals that he joined the A-Team to keep Spencer safe. Spencer and Toby then begin working on the inside to discover Red Coat's identity at the party. Red Coat flies in on a plane and Spencer and Toby go into the woods to watch her, while the girls corner Mona, as someone locks them inside the Lodge and sets it on fire. Spencer loses Red Coat in the woods, as the Lodge burns down with the girls inside. Hanna, unconscious, wakes up briefly, as she is pulled out of the Lodge by Red Coat, whom she sees as Alison DiLaurentis. Ashley and Hanna are caught on film, oblivious to the camera in Wilden's car recording them. 'A' cuts up pink roses, and puts them in a lowery wreath with a ribbon which says "With Deepest Sympathy." 6821'Out of Sight, Out of Mind'Melanie MayronJonell LennonFebruary 26, 2013 (2013-02-26)2.71[23] Spencer reveals to Aria and Emily that Toby is helping Mona. Aria returns to Ezra's apartment to find he has returned...with Maggie and Malcolm. Emily and Hanna arrive at Toby's apartment and find a parking pass with the name "E. Lamb." Toby's alias for Radley. Spencer receives a bouquet of flowers and a card that reads: "Someone close to you will pay for your loose lips -A." Later, Emily goes to Toby's place again and talks to a guy who worked with Toby. He says Toby left but never said where he was going. While Aria babysits Malcolm, he accidentally cuts his chin. Aria worries she may not be a fit parent and contemplates breaking up with Ezra until he gets everything sorted out. Spencer follows Mona heading into the woods. Spencer finds a body in the woods with Toby's tattoo on his hip wearing a helmet. Mona yells "She's dead" before Spencer identifies the body. She chases Mona but loses sight of her. Hours later, Emily is waiting for Toby after he texted her to meet up but Toby doesn't show. Emily catches a glimpse of the girl in the red coat in her rear view mirror. Hanna and Aria sneak into Lucas' car into Lake Rosewood after it shows up in Hanna's garage with footage of the night Ashley hit him. Spencer is found the next morning in the woods, completely catatonic. She is admitted to Radley. 'A' ending: 'A' watches a man fishing up a cap from the Rosewood Police. 6922'Will the Circle Be Unbroken?'Ron LagomarsinoJoseph DoughertyMarch 5, 2013 (2013-03-05)2.56[24] Spencer is held at Radley for a 72-hour observation and assessment. Spencer befriends a male nurse. She notices the name on his badge, E. Lamb, is identical to Toby's alias for Radley. E. Lamb tells Spencer that Radley has experienced a recent dilemma involving staff I.D. badges and visitor guest passes. Hanna and Ashley are blindsided when Detective Wilden approaches them at the church where they are meeting Ted for coffee. Emily is surprised when Shana invites her to coffee, only to introduce her to Olympic gold medalist Missy Franklin. Emily learns that Shana is also a swimmer, which Paige neglected to tell her. Aria lies about her relationship with Ezra in order for her to be reinstated at Rosewood High. Mona pays Spencer a visit in Radley and offers her a spot on the "A" Team for the second time. Ashley says goodbye to Hanna and heads to New York for an annual seminar. As Ashley drives away, Wilden pulls up in his car. Wilden confronts Hanna and demands to know where his car and keys are. Wilden promises not to bother Hanna and Ashley anymore as long as Hanna complies with his demand. During a group therapy session at Radley with Dr. Sullivan and other patients, Spencer confides that her friends can no longer count on her. 'A' ending: 'A' drives off in a RV with things from 'A's lair. 7023'Im Your Puppet'Oliver GoldstickOliver Goldstick & Maya GoldsmithMarch 12, 2013 (2013-03-12)2.41[25] The girls visit Spencer in Radley who is convinced she saw Toby's body in the woods. But the girls know the police have identified that the body Spencer saw was not Toby. Spencer discovers a map of Radley that Mona created on a board game. Ella warns Hanna that Jamie may have traded the bell from the church for a new one of much lesser value. Aria, Emily and Hanna sneak into the morgue. Aria sees Red Coat while she, Hanna, and Emily are in the morgue posing as candy strippers. Aria follows her, almost catching her before she slips into an elevator and escapes, while Emily and Hanna find a dead body they are unable to identify. Aria is horrified when she discovers that "A" kidnapped Malcolm. When she finds Malcolm at a carnival, Aria decides this is too much for her and tries to break up with Ezra. Hanna and Caleb accuse Jamie of stealing from the church. Soon afterward, they discover that "A" has been framing Jamie. Emily's mom tells her that the police found another male body, late teens/early twenties, with no I.D. and that the police cannot identify the body yet due to significant trauma. Emily rushes to tell Aria and Hanna. At Radley, Spencer pulls out a black hoodie and two carnival tickets from her pillow. The third "A" Team member is revealed: Spencer Hastings. 7124'A Dangerous Game'Patrick Norris. Marlene KingMarch 19, 2013 (2013-03-19)2.87[26] Spencer is released from Radley. To celebrate, she invites her friends to a soîrée. After receiving a clue from Malcolm while babysitting him, Hanna determines that Spencer was the one who kidnapped Malcolm. Aria, Emily, and Hanna band together to trick Spencer and find out her motives. Spencer finds Toby and they both determine that they each joined the "A" Team to protect one another and end up reconciling. When Spencer falls for their trap, she is forced to come clean with her friends about Toby, her "A" Team involvements, and Red Coat's plan for all four of them at the soîrée. Emily catches Jenna, Melissa, and Shana conspiring something at Jenna's house. At the "soîrée," the Liars confront Mona in the lodge while Toby and Spencer venture out to determine Red Coat's identity (still unknown to all three "A" Team members). However, someone traps the Liars with Mona in the lodge and sets it on fire, leaving them with no escape. Spencer sees Red Coat get out of the plane and at first glance, she thinks it's Alison. Toby is knocked unconscious in the woods and the mysterious figure drops a lighter by his hand, making him look responsible for starting the fire. Red Coat pulls the Liars and Mona out of the lodge. Hanna wakes up and sees Red Coat staring at her. Red Coat is revealed to be a very much alive Alison DiLaurentis. Mona says she saw Alison too. Spencer comes back and says she saw Alison also. On the way back to Rosewood, Mona reveals that Red Coat would sometimes wear a mask that looked like Alison's face. This means that Red Coat could have just looked like Alison. The Liars and Mona spot Wilden's car in front of the church. The video of Ashley running him over plays, with an added clip of Jenna and Shana dragging away his body. Spencer notices something "fishy" about the trunk. Before opening it, all five girls receive the same text that reads: "You're mine now. Kisses -A." Spencer opens the trunk and all five girls gasp in unison at the sight of its contents. In the final scene, a hand reaches out from the dirt and another grabs it and starts pulling the trapped person out.
